

Yuying's Heritage

- Celebrated 113th Anniversary in 2023
- Yuying Secondary School started off as Qiong Ya Yu Ying Xue tang in 1910 when 7 prominent Hainanese businessmen and community leaders set up the school to provide basic primary education to improve the literacy level and trades skills of the early Hainanese immigrants.
- A government-aided school with strong support from School Management Committee and School Alumni Association
- Yuying family believes in having a heart of gratitude and paying it forward. 饮水思源
