STREAMING PROCESS

- **Submit online through AsknLearn from 26 Oct to 1 Nov (see last few slides)**
- Soft copy of the guide is available on school website
- **If you can't log on to AsknLearn at home, you can do in school (Computer Lab 2), from 27 to 31 Oct, between 9 am and 11 am. You will bring the hard copy home for your parent to sign, and submit to school.**

STREAMING PROCESS

From 26 Oct to 1 Nov

- You will be given 3 choices.
- Print a copy of your confirmed choices, and submit it to school (General Office) after your parent / guardian has signed on it.
- If you change your mind after submitting online, you can update online; if you have submitted the hard copy, re-submit the updated hard copy.
- **Outcome will be released on 10 Nov 2017.**

STREAMING PROCESS

Criteria for streaming

- In general by strengths in core subjects (English, Science, Maths & Humanities)
- For some subjects, additional criteria will be set as follows. If you do not meet the criteria, you will not be able to opt for the courses.

STREAMING PROCESS

Criteria for streaming

Stream	Subject	Criteria
Express	2 Pure Sciences	Science at least 75% Has done well in the other subjects
Express	1 Pure Science	Science at least 68%
Express	Additional Math	Math at least 53%
N(A)	“O” Level Math	Math at least 70%

STREAMING PROCESS

There are limited places for each course.

- If the no. of students who opt for a particular course exceeds the no. of places, you may not be able to get a place.
- If too few students are eligible for a course, or too few students choose a particular course, it may be removed eventually.

STREAMING PROCESS

- The class structure will be based on the 6th and 7th subjects.
- Use your 3 choices wisely.
- Do not use up two choices for the same pair of courses, e.g. 1 and 2, 5 and 6, where the difference is in Geog / Hist.
- Spread your choices over the different category of courses.
